**Class Title:** Photoshop Elements, Bootcamp III

**Date(s):** Saturday, Jul 10 or Oct. 23

**Time:** 9:00 to 4:00

**Cost:** \$99

**Description:** **Updated**, hands-on training class for Photoshop Elements! Bring your laptop computer (PC or Mac) with either Elements 6, 7 or 8 installed (bring an external mouse, mouse pad and your AC adapter too). Class features all new exercises which go beyond my Basics (Bootcamp I) and WOW (Bootcamp II) classes. Gain even more control as you learn intermediate and advanced techniques. Steve draws on his years of teaching Photoshop and shows you many great secrets. You receive extensive notes and a resource CD. **You NEED a basic working understanding of Elements; this is not a Basic class.** Steve's easy going style will have you saying "Double Wow!" in no time! Don't miss it!

**Lunch:** One hour on your own. Bring a sack lunch. Or you may travel to the nearby Mesa Mall area

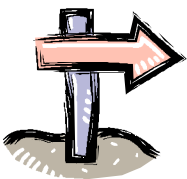

**Skill Level:** You should have basic computer skills.

**Equipment Needed:** Laptop Computer, with Elements 6, 7 or 8. We recommend version 8. You may use one of our PC laptops for \$10 extra. A mouse is recommended over the built-in track pad. You also must bring your AC adapter for your laptop.

**Pre-Req:** This is NOT a Basics level Elements class. You should have previously taken one of Steve's Basic Elements classes, or have a pretty good working knowledge of the program.

**Other Notes:** This is a hands-on class. This class is for Photoshop Elements, not Photoshop CS. Arrive 15 minutes early to set up.
